- MORETON PRECINCT
- RESIDENTIAL DEVELOPMENT
- COMMERCIAL DEVELOPMENT

The Sarina Precinct is our second residential land release at Sunshine Cove.

Featuring 23 terrace allotments situated beside a beautifully landscaped park, Sarina also offers our eagerly awaited waterfront allotments (28 in total). With sweeping lake views perfectly framed by the timber boardwalk and the conservation area, home never looked better!

Limited to a total of 51 freehold residential sites, Sarina will quickly evolve into an exclusive residential enclave of architecturally designed homes. Sarina will deliver a truly urban lifestyle in the heart of Maroochydore.

Our Sarina Precinct represents a timely opportunity to become a part of the Sunshine Coast's most innovated community development, Sunshine Cove.

- Easy walking distance to the Maroochy CBD and Sunshine Plaza
- Excellent public and private schooling options available
- Close proximity to spectacular surf beaches and the Maroochy River
- Easy access to the Sunshine Motorway for commuters
- Covenant protected planning for all lifestyle options
